

VOLUNTEER JOB DESCRIPTION

“THE DOOR”

Requires someone who is comfortable/good with numbers, money and people: someone who can multi-task. This job also entails not only selling tickets and/or memberships: it also includes keeping statistics and paying the Artist and the owner.

Full details/procedures for the two jobs “Ticket Seller” and “Membership Sales” can be found at the Snoring Sasquatch.

Currently, we also need this person to come in early (6 pm) to ensure the venue is tidied and the bathroom is ready.

The perk of this/these two jobs is that you are also hearing/watching the performers at no cost (other than your time.)
